

The holidays often remind us to appreciate our gifts and recognize everyone who has contributed to our accomplishments this year.

The Board of the Deep Creek Watershed Foundation would like to acknowledge our donors, partners in government and business, volunteers and the community in and around Deep Creek Lake and its watershed. Our goals now and in the future are to research and select projects that will enhance the vitality and economic viability of the watershed area. We thank you for your assistance and encouragement during this important formative year for the Foundation.

To all our benefactors and their families, we extend our sincere best wishes for a Peaceful and Joyful Holiday Season and a Bright and Prosperous New Year!
